

## Iveric Bio Announces Proposed Offering of Common Stock

October 21, 2021

NEW YORK--(BUSINESS WIRE)--Oct. 21, 2021-- IVERIC bio, Inc. (Nasdaq: ISEE) (the "Company"), today announced that it is commencing an underwritten public offering of \$125.0 million of shares of its common stock. In addition, the Company intends to grant the underwriters an option for a period of 30 days to purchase up to an additional 15 percent of the number of shares of its common stock being offered. The offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed or as to the actual size or terms of the offering. All of the shares are to be offered by the Company.

Morgan Stanley, Cowen, Stifel and Credit Suisse are acting as the book-running managers for the offering.

An automatically effective shelf registration statement on Form S-3 relating to the shares of common stock to be offered was filed with the Securities and Exchange Commission (the "SEC") on October 21, 2021. The offering will be made only by means of a prospectus supplement and accompanying prospectus that form a part of the registration statement. A preliminary prospectus supplement related to the offering is being filed with the SEC and will be available on the SEC's website at [www.sec.gov](http://www.sec.gov). Copies of the preliminary prospectus supplement and accompanying prospectus relating to the offering may also be obtained by contacting: Morgan Stanley, 180 Varick Street, 2nd Floor, New York, NY 10014, Attn: Prospectus Department, or by telephone: 1-866-718-1649; Cowen and Company, LLC, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, New York 11717, Attn: Prospectus Department, or by emailing [PostSaleManualRequests@broadridge.com](mailto:PostSaleManualRequests@broadridge.com), or by telephone: (833) 297-2926; Stifel, Nicolaus & Company, Incorporated, One Montgomery Street, Suite 3700, San Francisco, CA 94104, Attention: Prospectus Department, or by emailing [syndprospectus@stifel.com](mailto:syndprospectus@stifel.com), or by telephone: (415) 364-2720; or Credit Suisse Securities (USA) LLC, 6933 Louis Stephens Drive, Morrisville, North Carolina 27560, Attn: Prospectus Department, or by emailing [usa.prospectus@credit-suisse.com](mailto:usa.prospectus@credit-suisse.com), or by telephone: (800) 221-1037.

This press release does not constitute an offer to sell, or a solicitation of an offer to buy these securities, nor shall there be any sale of, these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

### About Iveric Bio

Iveric Bio is a science-driven biopharmaceutical company focused on the discovery and development of novel treatments for retinal diseases with significant unmet medical needs. The Company is committed to having a positive impact on patients' lives by delivering high-quality, safe and effective treatments designed to address debilitating retina diseases including all stages of age-related macular degeneration.

### Forward-Looking Statements

*Any statements in this press release about the Company's future expectations, plans and prospects, including statements regarding the proposed offering, constitute forward-looking statements for purposes of the safe harbor provisions under the Private Securities Litigation Reform Act of 1995. Forward-looking statements include any statements about the Company's strategy, future operations and future expectations and plans and prospects for the Company, and any other statements containing the words "anticipate," "believe," "estimate," "expect," "intend," "goal," "future," "may," "might," "plan," "predict," "project," "seek," "target," "potential," "will," "would," "could," "should," "continue," and similar expressions. Such forward-looking statements involve substantial risks and uncertainties that could cause the Company's development programs, future results, performance or achievements to differ significantly from those expressed or implied by the forward-looking statements. Such risks and uncertainties include, among others, those related to market and other financial conditions, the potential completion of the proposed offering or the size or terms thereof, satisfaction of customary closing conditions related to the proposed offering, those related to expectations for regulatory matters, the progression and duration of the COVID-19 pandemic and responsive measures thereto and related effects on the Company's research and development programs, operations and financial position, the initiation and the progress of research and development programs and clinical trials, including enrollment and retention in clinical trials, availability of data from these programs, reliance on clinical trial sites, contract research organizations and other third parties, establishment of manufacturing capabilities, developments from the Company's competitors and the marketplace for its products, need for additional financing and negotiation and consummation of business development transactions, whether the Company's cash resources will be sufficient to fund its foreseeable and unforeseeable operating expenses and capital requirements on its expected timelines, and other factors discussed in the "Risk Factors" section contained in the preliminary prospectus supplement and the reports that the Company files with the Securities and Exchange Commission. Any forward-looking statements represent the Company's views only as of the date of this press release. The Company anticipates that subsequent events and developments may cause its views to change. While the Company may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so except as required by law.*
